

"ITIKAWTHA" is all about a simple lucid anecdote.

The story flows gently taking an otherwise sedate course but with intermittent eddies, depicting moments with passions of different kinds irrespective of locales and their boundaries.

Relationships are unfolded illustrating varied timelines soaked in affection, outrage, feeling of emptiness, ideological conflicts and unfathomable promises.

As the night sky receives a tinge of vermillion, the story nears its end and the way it tends to mature or eventually matures, if it does so at all, awaits to be
